PTM International Foundation Fund

PTM International Foundation “serves and supports”. This is the essence of its creation and functioning.

It is not limited by its focus and purpose. There are many stimuli in the world around us all of which we are a part. There are many causes for joy, concern, support, suffering...

The Fund seeks to help where the need is greatest at the moment within its means, and it is always for a good cause.

Children, seniors, athletes, students, the sick, families, ...an infinity of such possibilities. It's just that such support always needs to be properly selected, considered and processed.

That's what we're here for! For the rest of you...Come do it with us, come do good things...
